Proudly supporting individuals with developmental disabilities for over 60 years.

Supported Living

For many people the tasks of everyday living seem second nature. For individuals with developmental disabilities everyday tasks can be a challenge.

With our support Individuals can...

- ◆ Gain more Independence
- ◆ Improve Self-Confidence
- ◆ Feel Safer
- ◆ Have Less Stress
- ◆ Accomplish Goals
- ◆ Build Friendships
- ◆ Improve Self-Determination
- ◆ Become participating members of their community

Our Supported Living Program offers individualized personal support that enables individuals to maintain their independence.

Individualized needs are met through services that include, but are not limited to:

- ◆ Budgeting
- ◆ Recreation/Socialization
- ◆ Behavior Support
- ◆ Housekeeping
- ◆ Transportation
- ◆ Cooking/Cleaning
- ◆ Money Management
- ◆ Healthcare Support/Med Admin

Supported Living Services are provided by caring, dedicated, and specially trained staff that understand the specific needs of each individual and help them reach their goals.

- ◆ All employees undergo ten different background checks and drug and alcohol screenings.
- ◆ Ongoing in-depth training is completed with all employees which include:
 - CPR/ First Aid
 - Confidentiality
 - Crisis Intervention
 - Mental Health
 - Individual Rights
 - Behavior Support
 - Individualized Training and Support
 - And Many More

Center for Disability Services is a Level One and I/O Waiver provider.
