Adult Evening Services will be offered weekly, Tuesday through Saturday from 4-9pm. Non-Medical Transportation will be provided the same as it is for Adult Day Services. Transportation will pick up before and take home afterward.

The Adult Evening Services Program (AES) will be community based. Individuals will learn about Licking County and meeting new people. There will be time for individuals to eat supper. Some evenings, individuals will eat supper at a restaurant and other evenings, they will need to pack their supper and bring it with them. Weather permitting, individuals will be eating outdoors. In the winter, individuals will eat at Eastland then go out for the rest of the evening unless the calendar has a scheduled dinner out.

Each month, a calendar will be prepared for the following month. Individuals will research upcoming local events, clubs, etc. and provide this information to help create the calendar.

If you want to be a part of the AES, please contact your SA and let them know you would like to be a part of the AES.

If you have any questions, feel free to contact, Shella Miller 740-404-6178
